Problem-Solving | Adaptability | Creativity | Attention to Detail | Continuous Learning

## PROJECT

- [stoofers.in](#) - India's No.1 Discount Application
- Built a responsive web application for stoofers.com using React and CSS, implementing a modern glassmorphic dark UI and animated screenshot previews.
- [stfr.in](#) - Anonymous Message Web Support
- Designed and implemented a slime-green themed interface for **stfr.in** enabling anonymous messaging with real-time synchronization to the STFR mobile app.
- [stoomart.in](#) - Vendor & Non-vendor Dashboard Website
- Developed a retailer dashboard for **stoomart.in** (Next.js, Tailwind CSS) with dynamic product management, interactive analytics, and modular component architecture.
- [girishkor.dev](#) - Personal Portfolio WebSite
- Created a fast, accessible, server-side rendered portfolio using React + TypeScript and Tailwind CSS. Features responsive design, dark/light theme toggle, animated SVGs, dynamic GitHub
